***This project is based on the contribution of Artwork (digital images) by Latino Artists.
Our Commitment to the Artist:***

Vision: A world where the work of Latino Art is visible, valued, appreciated, and loved by Latino communities and beyond. **Mission:** To bring your artwork to the general community.

Project/Implementation: To make this vision and mission possible, Latino Artists must play a direct role. This project supports the growth and development of our Latino Artists via the following journey:

1. Latino artists will contribute digital images of their Artwork (3-10). The images will be available online and in selected physical establishments where they can be viewed and available for sale.
2. In cooperation with the Buffalo Latino Village, the Latino (Online) Art Gallery will market and promote the work of the participating artists.
3. Create a page for each artist with their images, bio, and headshot – including links where the work can be found.
4. Purchasing: We will make images available for sale. *The sale of the original is between the artist and the buyer.*
5. The image will be printed, 13x19, glossy or matte (poster/print).
6. The cost of printing, mailing, shipment, etc. will be consumed by the Buffalo Latino (Online) Art Gallery —at no cost to the Artist.
7. The printed image will sell for \$20.00. Based on each sale of the image, the Buffalo Latino Village will pay the artist \$7.00 (35%) for each image sold. If the image is purchased at an establishment, the owner will get a \$3.00 (15%) commission for each image. Our project will get \$10.00 (50%) for investment, cost, and labor — to continue the marketing and promotion of our Latino Artists.
8. Marketing and Promotion in social media and publication: Your work will appear on the pages of the Buffalo Latino Village (hard copy and on buffalolatinovillage.com) and on our arts webpage (buffalolatinoartgallery.com).
9. We will contract with art galleries to have art exhibitions featuring the work of the Artists. We are now working with an art group to introduce and exhibit the work of our local artists to the New York City market.

We are only interested in digital images. For your support and participation, please submit (email) images of your work to: lwslatinoart-gallery@gmail.com.

Note: Artists receive royalty payment yearly at the end of November.
